

THE FLOORING COLLECTION

Swiss engineered from the ground up.

The Swisstrax brand

Randy Nelson, directed the development of this revolutionary modular flooring line in Switzerland for more than 20 years before bringing the product to the USA in 2006. Today, we proudly manufacture the Swiss engineered flooring in our Dalton, GA headquarters.

Swisstrax flooring continues to offer the premier modular flooring solution for commercial, residential and industrial applications world wide!

Our mission *Providing the finest modular flooring solutions through passion, excellence, innovation and service.*

The world's finest modular flooring.

Swisstrax isn't simply flooring. It lays the foundation for the finest garages, showrooms and eventscapes in the world. Engineered to assemble in an instant, modular Swisstrax tiles can be configured to feature your logo and custom color combinations. Best of all, it's durable, easy to maintain and comes with a Limited Lifetime Warranty*. Transform your space today. You'll be floored.

“ Using Swisstrax throughout the sponsor pavilion as well as the Barrett Jackson staging lanes has really elevated the presence of these areas. We used to use carpet but the Swisstrax tiles have proven to be the best flooring option, hands down! They look great and hold up perfectly show after show! ”

Craig Jackson
CEO Barrett Jackson Auction Company

*See Swisstrax.com for full details.

INDUSTRY TRUST

Utilized by Ford, Dodge and Rockstar Performance Garage (just to name a few) and backed by rigorous testing certifications, we have earned the finest reputation around the globe.

SUPERIOR DESIGN

Swiss engineered and made in North America. Our interlocking flooring tiles are 3/4" thick, have 6 connection-points per side and are manufactured with a 4-point injection mold.

ULTIMATE PROTECTION

Our event, commercial and residential flooring tiles come with a Limited Lifetime Warranty*. A brand you can trust.

Preferred supplier to

+ many more

*See Swisstrax.com for full details.

Commercial *Flooring*

Customize your floor to fit the needs of your business and even add your company logo right into the tiles.

“ We’re working daily – grinding, cutting, changing out fluids. We’ve been so impressed with how well the Swisstrax flooring has held up. Spills just drain out of our way. At the end of the day our backs aren’t killing us, which has been a big deal. We completely endorse Swisstrax and plan on using these tiles anywhere we possibly can. ”

Nic Ashby, Rockstar Performance Garage

Why choose Swisstrax as your Commercial Flooring?

Office, Warehouse, Workshop, Company Entrance & more...

Swisstrax flooring is the perfect way to enhance the look of your business or work space. Our commercial flooring tiles are easy to install, easy to maintain and designed to last. Transform your brand while elevating the appearance of your showroom, warehouse, shop or garage with a premium floor tile.

Event *Flooring*

A portable solution that is easy to assemble, disassemble and conveniently transport to tradeshow or exhibit booths.

“ Every event we do, and we do about 17 per year, Swisstrax is all we use for our flooring. It’s easy to put together, easy to maintain, it’s extremely durable and highly cost effective. We’ve been using Swisstrax for years and plan to continue using them for years to come. ”

Paul Brearey, Marketing Manager Ford Motor Company

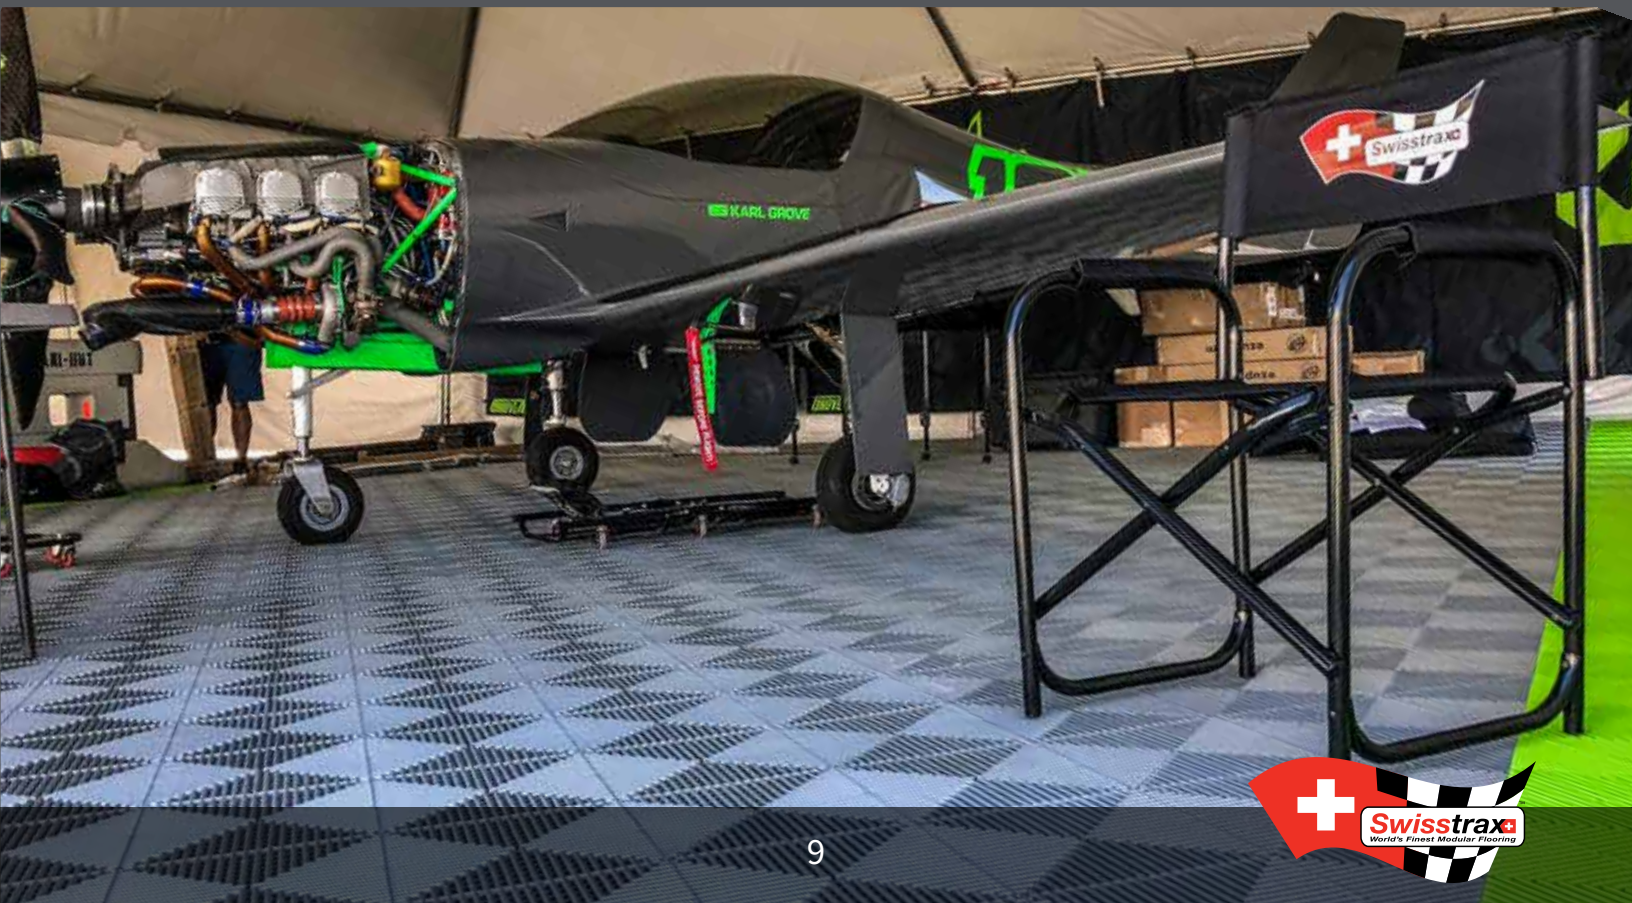

Why choose Swisstrax as your Event Flooring?

Trade Show Booth, Dance Floor, Special Event, Party, & more...

For tradeshows, events and exhibit booths, our interlocking tiles are the premiere choice. Giving your space that personal POP and WOW factor, assuring you will stand out more than ever before.

Residential *Flooring*

Enhance the look of your residential space and cover up cracks, stains or boring concrete.

“ After researching every option to cover my concrete garage floor, it was obvious to me that Swisstrax was the way to go! Easier to install and maintain than epoxy and no other tile company came close to their quality! ”

Ken Smith, Palm Desert, CA

Why choose Swisstrax as your Residential Flooring?

Garage, Patio, Pool, Basement, Office, Gym, Storage Area, Sheds & more...

Swisstrax is the ideal DIY flooring solution that can be customized for your residential space. Easily cover up floor imperfections such as cracks, stains, lifted epoxy or boring concrete.
